## **BAUBA MOURNES THE LOSS OF HIS MAJESTY, KING VICTOR THULARE**

**Johannesburg, South Africa. 12 January 2021.** Diversified mining and exploration company, Bauba Resources (Bauba), mourns the loss of one of our own, His Majesty, King Victor Thulare III.

On the 6<sup>th</sup> January 2021, Bauba suffered a terrible loss of an Alternate Non-Executive Director, King Victor Thulare III. King Thulare sadly and tragically passed away due to COVID-19 related illness.

King Thulare ruled over the Bapedi Nation and was a director at Bauba for over 12 years. His dedication and commitment has been integral to Bauba's success and growth.

We are sad not only for the loss of an exceptional individual but for the loss to his Majesty's family – the Queen Mother, the Tribal Authority and the Bapedi nation.

King Thulare was committed to uplifting his community and unifying the Bapedi nation through the integration of business, education, social and developmental aspects.

We at Bauba, again, send out our condolences to King Thulare's family and the nation.
